

# PUTTING THE RIGHT STRATEGY TO WORK

It all starts with the right strategy.

Our tailored strategic advice intervenes at various stages of digital transformation and remains in place to continue to provide support to business growth and sustainability.

## 01 →

### **Our expertise**

Our clients benefit from strategic advice for digital transformation, strategic planning, digital architecture, and program and project management. Regardless of the industry, size of the company, or scope of the mandate, **Cofomo's strategic guidance enables the following:**

- develop and manage information systems;
- translate strategic objectives into operational objectives;
- ensure the security of operations and the prevention of security breaches;
- protect tangible and intangible assets;
- ensure the growth and sustainability of the company.

### **How we can help**

Our team is ready to create and implement action plans to support your digital transformation and meet your needs, as well as those of your customers, in a rapidly changing business and technological environment.

# ABOUT COFOMO

Established in 1995, Cofomo is a Canadian leader in information technology (IT) and business consulting services, which translates today into the acceleration of client companies' digital transformation.

Its solutions cover the full range of business needs, including strategy, innovation, agility, intelligence, security, and cloud computing.

Its unique expertise is delivered through flexible on-demand project and talent delivery models.

A team of over 3,000 professionals provides these services to large private and public sector organizations, mostly located in Eastern Canada. This team is supported by a high-performance, lean organization and a state-of-the-art digital ecosystem to communicate with clients, acquire and manage talents and projects, and deliver the full services of the new digital economy.
