

# DELIVER QUALITY EXPERIENCES TO ALL USERS

Dynamics 365 CRM delivers consistent, quality user experiences while optimizing operations in an evolving omnichannel environment.

Dynamics 365 CRM builds stronger client relationships via remote collaboration and engagement while lowering costs.

Dynamics 365 CRM leverages the power of comprehensive business apps to create experiences that engage the right people at the right time, in the right channels.

## Dynamics 365 CRM is:

- A comprehensive portfolio of intelligent business apps that helps users excel and creates engaging customer experiences
- Agility delivered at maximum efficiency and productivity
- Ideal at rapidly resolving issues
- A low code/no code way to get started fast
- Designed to reduce costs by optimizing sales processes
- Able to make your teams more versatile

Provides relevant feedback in real-time

Lets you gain valuable insights

Delivers quality user experiences

Presents a single unified view

Boosts engagement

Dynamics 365 CRM creates rich, quality experiences that engage all users across all channels.

**At Cofomo we prefer partnerships over being a product and service provider. Client success is our touchstone, collaboration, the way there.**

A clear understanding of client goals lets us design highly customized solutions that consider their business context, reality and the constraints that limit them.

**We leverage the absolute maximum from great products like Dynamics 365 CRM.**

It's how we work. And it's how our products, experience, and expertise work best for you.

## Cofomo's Offers Distinct Advantages ↓

- A dedicated, personalized service but is ably equipped to take on any challenge
- The experience of working with over 40 top-tier sector-leading clients
- A fully turnkey service
- The choice between talent-on-demand or projects-on-demand delivery methods
- Assessment of specific business needs, and the development and deployment of D365 solutions to support them
- Microsoft Dynamics 365 and Power Platform certifications

Cofomo has been at the leading edge of digital transformation for over 25 years. We understand digital transformation. We can understand yours.

**Cofomo delivers Microsoft Dynamics 365 CRM with efficiency and expertise. It's in our blood, and in our numerous Microsoft certifications.**
