### Hybrid operational models

We integrate into your team and help you manage your backlog (logbook), steer projects, and fill skill gaps.

### Squads

We offer squads for turnkey projects at a fixed price or on a time and materials basis.

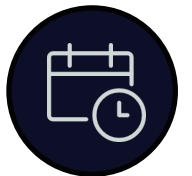

### Roadmap

We provide on-demand architecture leadership to define your roadmap and set your schedule.

### Strategy and Consulting

We help you manage your licenses and build a return on investment strategy.

### Centre of Excellence

We maximize the value of your digital transformation by centralizing expertise, governance, and alignment of ServiceNow solutions with your strategic priorities.
